OUR PRODUCTS

ULTI-MATE

Our Ulti-Mate line offers a modular cabinet system, with set dimensions and is available in a variety of gloss/metallic colors. These cabinets also feature door and drawer locks to secure your stored items.

Available Door Colors:

Red Grey White Silver Black

2-DOOR TALL CABINET

Tall cabinet – 36" wide x 21" deep x 74" high.
Our most popular cabinet in the line. Use multiple together or pair with base cabinets and a workbench for the perfect storage area.

2-DOOR BASE CABINET

Base cabinet – 24" wide x 21" deep x 31" high.
Lockable like the rest of the cabinets and drawers. Available in a variety of colors to match your garage style.

4-DRAWER BASE CABINET

4-drawer cabinet – 24" wide x 21" deep x 31" high.
Great for storing smaller tools. Pair with a base cabinet and workbench for a simple and functional workspace area.

ULTI-MATE

2-DOOR JUMBO BASE CABINET

Jumbo cabinet – 36" wide x 21" deep x 31" high.

Removable legs when wall mounting for custom height and ease of flooring cleaning underneath the cabinets.

2-DOOR WALL CABINET

Wall cabinet – 24" wide x 14" deep x 24" high.

Double stack or pair with custom lockers to make the most of your high ceilings.

2-DOOR JUMBO WALL CABINET

Jumbo wall cabinet – 36" wide x 14" deep x 24" high.

Center partition to help organize overhead items. A massive 200lbs rating per shelf.

VIRGIL H.

ULTI-MATE

Virgil went from messy open shelving to a beautifully organized space with room to store everything!

He opted for 2 of our 4 drawer base cabinets, 4 Tall cabinets and 5 medium wall cabinets all in grey and topped with a Formica workbench to complete the perfect storage setup!

SELECT

A premium cabinet line designed specifically for the Garage. The set dimensions are larger than our Ulti-Mate line and feature luxury matte color finishes on the doors and a Charcoal Grey box.

2-DOOR TALL CABINET

36" wide x 24" deep x 84" high

Our select 2-door tall cabinets feature 3 shelves for 4 storage spaces. Additional shelves can be added for an additional charge.

2-DOOR MEDIUM WALL CABINET

24" wide x 14" deep x 31" high

The ideal cabinet combination for above a workbench or laundry area.

2-DOOR JUMBO BASE CABINET

36" wide x 24" deep x 31" high

These base cabinets can also double as a spacious countertop when our Butcherblock or Formica workbenches are placed on top.

ELANA & DANIEL T.

SELECT

Elana and Daniel wanted to take back their garage from clutter and transform it into a more usable space.

Using 2 medium base cabinets and 4 drawer cabinets, along with 2 tall select cabinets, this garage has optimal storage, a useful working area and looks great!

DENISE B.

MONTEREY

Denise made a beautiful choice going with the Monterey cabinet line to create useful storage space in our stunning bleached blackwood door finish.

The drawers and workbench were placed on top of the stem wall to provide a functional standing workbench.

BEFORE

WALL STORAGE

A cost effective storage solution that looks great! Garage Rescue has Slatwall in a range of colors and accessories capable of storing bikes, surfboards, sports equipment and so much more. Be sure to ask your designer about our accessories.

FLOOR COATINGS

Our polyaspartic epoxy floor coatings boast the longest lasting solution on the market with a 15 year warranty!

We offer a variety of blended flake colors, solid flake colors and solid colors.

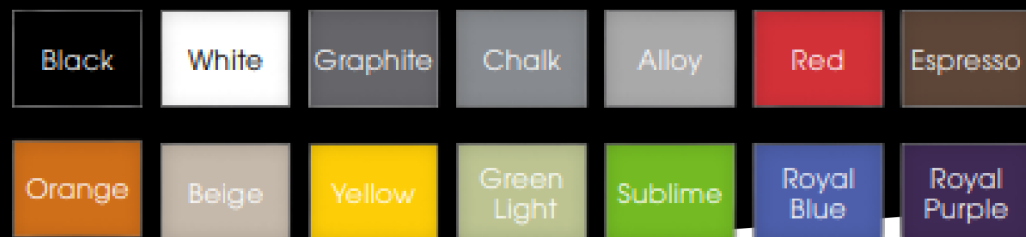

SNAP-LOCK FLOORING

A great alternative flooring option to epoxy, our snap-lock flooring is easy to install, comes in a variety of colors and designs and is incredibly easy to maintain.

Available Colors:

ENCLOSURES

Elevate the look of your in-garage laundry or refrigerator with our custom enclosures. These enclosures are one-of-a-kind pieces made to match the rest of your cabinetry.

MUDROOMS

A family garage isn't complete without our custom mudrooms! Perfect for storing your kids backpacks, sports equipment, sneakers and more.
